

CAMILLUS POCKET KNIVES

GENERAL INFORMATION

"Why Camillus Has the Edge"

Blades—Made of custom-made steel to best fit the peculiar requirements of pocket knife blades—sharpness, toughness and durability. Edges hand honed under oil with extreme care to provide the keenest cutting edge possible. Construction—Precision made to perfect fit and operation. Solid handles of best and most attractive bone stag or plastic. Nickel silver trim (bolsters, tips and shields where specified) and solid brass linings (where specified). Appearance—High polish, selected handles, attractive design supplying customer attraction and salability. Packaging—Each knife wrapped in cellophane for more eye appeal, less handling. New Smart Boxes—Number on the bottom section so knives cannot be mixed with many other sales making, simpler handling features. Sales Promotion—The line is supported by sales card streamers, display cases, etc., to keep it moving over the retail counters. Manufacturer—Camillus Company is one of the oldest and largest in the country—over 70 years of pocket knife experience—one of the country's modern pocket knife factories.
